## Field Fiber Termination Kit - 22 Tools and Consumables in a Rugged Backpack

### Tools and Consumables List:

- (1) x Optical Power Meter (-70 - +10dB)
- (1) x High Precision Fiber Cleaver
- (1) x 5mW Visual Fault Locator
- (1) x 2.5mm to 1.25mm Visual Fault Locator Connector
- (1) x Tri-hole Fiber Optic Stripper (250µm/900µm/1.6mm-3.0mm)
- (1) x Kevlar Shears
- (1) x Adjustable Slit & Ring Tool (1.2mm-6.4mm)
- (1) x Loose Tube Buffer Mid-Span Access Tool (1.2mm-3.3mm)
- (1) x Round Cable Slitter (4.5mm-25mm)
- (1) x Cable Stripper (6mm-28mm)
- (1) x 8" High Leverage Diagonal Cutter
- (1) x 6" Long Nose Cutting Plier
- (1) x 8-in-1 Multi-bit Screwdriver
- (1) x LED Headlamp
- (1) x Safety Glasses
- (1) x Fiber Cleanwipe Cube (120 wipes)
- (1) x Kimwipes (280 pcs)
- (1) x Alcohol Dispenser Bottle (250ml)
- (1) x Black Work Mat (13" x 23.6")
- (1) x Utility Knife
- (1) x Black Marker Pen
- (1) x Rugged Tool Backpack

### Commitment to Engineering Excellence

Our objective is to maintain engineering excellence in fiber optic cable and transport system manufacturing with a 100% inspection and zero-defect policy performed by trained and certified assemblers, as well as an R&D laboratory dedicated to the latest technology compliance testing. We strive for exceptional quality every day to ensure your confidence in our products and in our commitment to your success.
