

CMX-HDMI-TR

4K HDMI Over Fiber Micro Extender

INCLUDES:

- 1 x HDMI Transmitter
- 1 x HDMI Receiver
- 2 x 5VDC/1A Power Supplies

SPECIFICATIONS:

- HDCP 1.4 Compliant
- Wavelength: 850nm
- Dimensions: 2.6 x 0.94 x 0.43in
- Weight: 0.64 lb

CMX-HDMI-TR TRANSMITTER:

1. LC Fiber Connection
2. USB - Connect Power Adapter
3. HDMI Input - Connect to Source

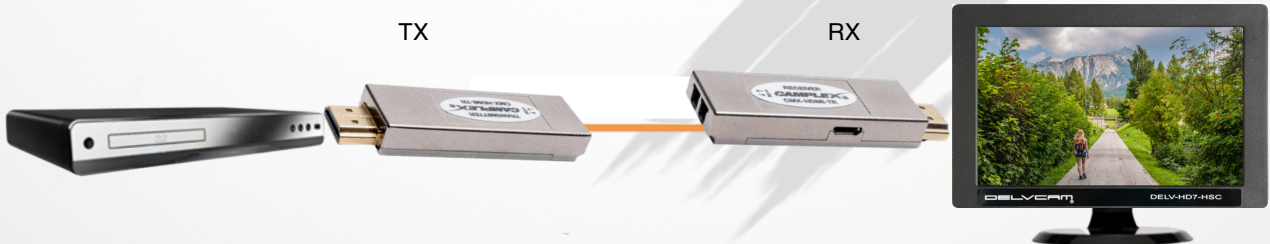

CMX-HDMI-TR RECEIVER:

1. LC Fiber Connection
2. USB - Connect Power Adapter
3. HDMI Output - Connect to Display

SYSTEM SET UP:

Commitment to Engineering Excellence

Our objective is to maintain engineering excellence in fiber optic cable and transport system manufacturing with a 100% inspection and zero-defect policy performed by trained and certified assemblers, as well as an R&D laboratory dedicated to the latest technology compliance testing. We strive for exceptional quality every day to ensure your confidence in our products and in our commitment to your success.
