

BROADCAST FIBER OPTIC SOLUTIONS

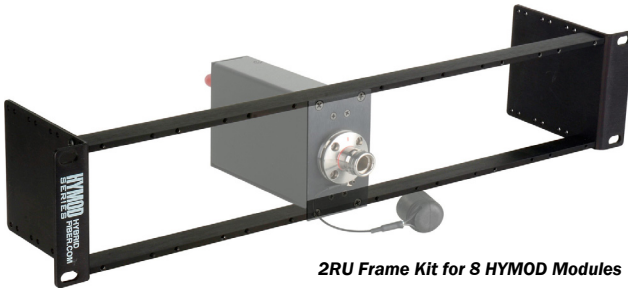

Complex HYMOD SMPTE Patch Panel Systems with Connector Modules and Frames

2RU Frame with 6 Connector Modules

SMPTE EDW Jack to 2 ST Fiber & 6-Pin AMP for 2RU HYMOD Systems

2RU Frame Kit for 8 HYMOD Modules

Complex HYMOD SMPTE modular patch panel systems include HYMOD connector modules and frames which allow for easy integration and field repair of SMPTE infrastructure. Our system design is simple: breakout from panel mount SMTPE in a rack mountable form to ST/LC/SC cables with separate power. This saves time and money and offers a solution that is modular, field repairable, and simple to manage.

HYMOD Connector Modules

Each connector module sits flush to create a professional appearance with no unsightly gaps. All visible parts have a professional black anodized finish and assemble in minutes with included hardware kit. Custom modules available.

HYMOD Frame Kits

HYMOD frames are fully customizable for adding Triax, ST, and other connector configurations to your SMPTE hybrid panel. Each connector module sits flush to create a professional appearance with no unsightly gaps.

Features

- Heavy Duty Universal Frame Kit
- Choose up to 6 interchangeable modules for the 1RU frame
- Choose up to 8 modules for the 2RU frame
- Connector modules are black anodized finish
- Mix or Match SMPTE 311M, opticalCON, Triax & More
- Quick Change Modules for On-site Maintenance
- Assembles in minutes with all necessary hardware
- Documented low insertion and return loss

Products

1RU HYMOD Systems Modules and Frame:

- HYMOD-FR1 - 6 position frame for 1RU modular SMPTE hybrid patch
- HYMOD-1R01 SMPTE FXW Plug to 2 ST Fiber & 5-Pin AMP for 1RU
- HYMOD-1R02 SMPTE EDW Jack to 2 ST Fiber & 5-Pin AMP for 1RU
- HYMOD-1R03 SMPTE FXW Plug to 2 ST Fiber & 8-Pin AMP for 1RU
- HYMOD-1R04 SMPTE EDW Jack to 2 ST Fiber & 8-Pin AMP for 1RU
- HYMOD-1R05 SMPTE FXW Plug to 2 ST Fiber & 6-Pin AMP for 1RU
- HYMOD-1R06 SMPTE EDW Jack to 2 ST Fiber & 6-Pin AMP for 1RU
- HYMOD-1R07 4 Senko ST Fiber Feedthru Module for 1RU HYMOD Systems
- HYMOD-1R08 OpticalCon Duo LC Feedthru Module for 1RU HYMOD Systems
- HYMOD-1R09 3 BNC Feedthru Module for 1RU HYMOD-1R10 Blank Module Panel for HYMOD 1RU Frame Kit

2RU HYMOD Systems Modules and Frame:

- HYMOD-FR2 - 8 position frame for 2RU modular SMPTE hybrid patch
- HYMOD-2R01 Complex SMPTE FXW Plug to 2 ST Fiber & 5-Pin AMP for 2RU
- HYMOD-2R02 Complex SMPTE EDW Jack to 2 ST Fiber & 5-Pin AMP for 2RU
- HYMOD-2R03 Complex SMPTE FXW Plug to 2 ST Fiber & 8-Pin AMP for 2RU
- HYMOD-2R04 Complex SMPTE EDW Jack to 2 ST Fiber & 8-Pin AMP for 2RU
- HYMOD-2R05 Complex SMPTE FXW Plug to 2 ST Fiber & 6-Pin AMP for 2RU
- HYMOD-2R06 Complex SMPTE EDW Jack to 2 ST Fiber & 6-Pin AMP for 2RU
- HYMOD-2R07 Complex 4 Senko ST Fiber Feedthru Module for 2RU
- HYMOD-2R08 Complex OpticalCon Duo LC Feedthru Module for 2RU
- HYMOD-2R09 Complex 4 BNC Feedthru Module for 2RU HYMOD Systems
- HYMOD-2R010 Complex Blank Module Panel for HYMOD 2RU Frame Kit
- HYMOD-2R011 Complex 2RU Triax Feed-Thru HYMOD Modules
