

Fiber opticalCON Quad Fiber Optic Breakout Cables

Designed for Commercial & Professional Broadcast in Harsh Environments

Features

- Low Return Loss & Low Insertion Loss
- No Electrical Conductors
- opticalCON Connectors Tested to GR-326 CORE Endface Standards
- Push-Pull Locking opticalCON Connectors
- Rugged Senko ST or LC Connectors
- Multimode or Single Mode

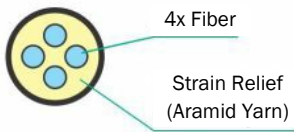

HF-OC4S-LC-0010 opticalCON Quad Singlemode LC Connector Breakout

Specifications	
Cable Retention Force	500N
Insertion Force	< 45N
Lifetime Mating Cycles	>1000
Minimum Bend Radius	4cm
Operating Temperature	-40°C to +75°C
Cable Loss	< 3dB/km @ 850nm, < 1dB/km @ 1300nm
Connector Loss	<0.5dB/Connector
Connector Back Reflection	-55dB/-45dB RL (typical/max)
Cable	Tactical Tight Buffer PUR

HF-OC4S-ST-18IN opticalCON QUAD to Quad ST Singlemode Fiber Optic Breakout

opticalCON QUAD Connectors
